Dear Parents and Guardians,

As you know class parents play a significant role in the class throughout the school year. Together with the classroom teacher, they help to organize classroom parties and special events that are held in the classroom during the year. They also take pictures to send to the grade historian. They are also invited to chaperone the field trip. All of these events become lasting memories for our children and help them to have a wonderful school year at Asher Holmes.

A big part of being a class parent includes being a **paid PTA member** and also helping at PTA events. This year we are requesting that all class parents either chair an event or volunteer to help at **three** PTA events throughout the year. We have many events to choose from to fit everyone's schedule. No amount of help is too small and we even have things that can be done at home! .

If you are interested in volunteering as a class parent for your child's class, please fill out the bottom portion and return it to your child's teacher by **Friday, September 14, 2018**. Selections will be made by the teachers and class parents will be notified no later than Friday, September 28th.

You may contact Linda Gaudio at lingaudio36@gmail.com with any questions.

Thank you,
Sharee Salvatore
